Senate Candidates Meet with MMPA Advisory Committee

During the Advisory Committee meeting on July 1, MMPA members had the unique opportunity to hear from both 2014 Michigan Senate candidates, former Michigan Secretary of State Terri Lynn Land and Representative Gary Peters. During the meeting, each candidate outlined his or her credentials and stance on important dairy and agriculture issues. After the presentations, Advisory Committee members had the chance to ask follow-up questions to further understand each candidate's agricultural platform.

Although both candidates are running unopposed for their party's primary election, many Michigan elections will be determined during the primaries on August 5, 2014.

Ballots to fill the open Senate seat and a host of other local and state positions will be cast during the state general election on November 4, 2014. Visit https://webapps.sos.state.mi.us/mivote/ to check your voter registration status and polling location.

Representative Gary Peters (top) and former Secretary of State Terri Lynn Land (bottom) addressed the MMPA Advisory Committee during the group's meeting on July 1.

2014 District OYDCs

The 2014 Outstanding Young Dairy Cooperators Program is based on cooperative districting before the MMPA Bylaw change approved by delegates at the 98th State Annual Delegate Meeting, March 20, 2014.

District 1
