Freeliner Policy

The Freeliners column is open to *current* MMPA members who wish to advertise – at no charge – goods or services relating directly to their dairy farm operations.

- An item submitted will be published for no more than two consecutive months. (One month, unless otherwise requested.)

- After that, it will be withdrawn.

- It will be published again for no more than two consecutive months only if the member resubmits the item by contacting their MMPA Member Representative or by writing or calling the Novi office.

- Reference to a name of a firm or other commercial enterprise with which a member is involved will be deleted, with permission of the member.

- If the member does not wish such deletion, he may choose to have the item published as a Classified Ad at the regular per-line Classified Ad rate.

- Freeliners must be received by the 10th of the month preceding the desired month of publication. *Example* – to be included in the January issue, the freliner must be at the MMPA office by December 10th.

Your methane is worth a fortune

Livestock producers around the country work with Environmental Credit Corp. to generate more than 250,000 carbon credits, worth over \$1 million dollars.

The ^{ECC}Lagoon Cover Program

It's easy, and it's risk-free. We design, finance, and manage the installation for you and monetize carbon credits on the Chicago Climate Exchange or other global markets.

Don't let your fortune go up in thin air... ask for an application and sign up today!
