Bulls

REGISTERED HOLSTEIN BULLS: We now have a nice selection of service age bulls, sired by top AI sires. Green Meadow Farms, Elsie, MI. 989-862-4291 or see our Web site at www.greenmeadowfarms.com.

Freeliner Policy

The Freeliners column is open to *current* MMPA members who wish to advertise – at no charge – goods or services relating directly to their dairy farm operations.

- An item submitted will be published for no more than two consecutive months. (One month, unless otherwise requested.)
- After that, it will be withdrawn.
- It will be published again for no more than two consecutive months only if the member resubmits the item by contacting their MMPA Member Representative or by writing or calling the Novi office.
- Reference to a name of a firm or other commercial enterprise with which a member is involved will be deleted, with permission of the member.
- If the member does not wish such deletion, he may choose to have the item published as a Classified Ad at the regular per-line Classified Ad rate.
- Freeliners must be received by the 10th of the month preceding the desired month of publication. *Example* – to be included in the January issue, the freliner must be at the MMPA office by December 10th.

**THE RITE CHOICE...
ULTRACLEAN
DAIRY TUBING
FROM MILK-RITE**

Rubber exterior provides flexibility, durability, and excellent ozone resistance

TPV inner surface possesses a high chemical resistance, low extractables, and maintains a prolonged sanitary surface.

- **Low Extractables**
- **Exceeds FDA & European standards**
- **Will not crack, pit or degrade**

Milk-Rite is pleased to introduce a revolutionary line of dairy tubing developed with milk quality in mind. ULTRACLEAN Dairy Tubing is the first tubing that combines a smooth sanitary interior surface with a durable, flexible rubber exterior.

ULTRACLEAN Tubing utilizes the latest in polymer technology by chemically crosslinking the inner and outer materials together. The result is a long-lasting tubing that will clean better and maintain milk purity like no other product on the market today. Due to its low level of permeation, reduced extractables, and high tear strength, ULTRACLEAN Tubing offers distinct advantages over all other available dairy tubing. Ask your supplier about ULTRACLEAN Dairy Tubing or call the Milk-Rite sales team.
