SERVICE AGE HOLSTEIN BULLS. Call Steve Alexander, 810-622-8545 evenings or 810-404-8546.

Freeliner Policy

The Freeliners column is open to *current* MMPA members who wish to advertise—at no charge—goods or services relating directly to their dairy farm operations.

- An item submitted will be published for no more than two consecutive months (one month, unless otherwise requested).

- After that, it will be withdrawn.

- It will be published again for no more than two consecutive months only if the member resubmits the item by contacting their MMPA Member Representative or by writing or calling the Novi office.

- Reference to a name of a firm or other commercial enterprise with which a member is involved will be deleted, with permission of the member.

- If the member does not wish such deletion, he may choose to have the item published as a Classified Ad at the regular per-line Classified Ad rate.

- Freeliners must be received by the 10th of the month preceding the desired month of publication. *Example:* to be included in the January issue, the freeliner must be at the MMPA office by December 10.

START THE YEAR ON TARGET

*Maintain optimum production and health in all lactating cows by using a combination of **Tri-Mic 1:50** and **Accel Fortifier 1:50**.*

Tri-Mic 1:50 improves feed intake and utilization for maximum production and reproduction performance.

Accel Fortifier 1:50 is a concentrated source of chelated and inorganic trace minerals with vitamins intended to be mixed into premixes, minerals, supplements and total mixed rations.

Contact your Accelerated Genetics representative to order and take advantage of the special promotion going on now through March 31, 2010.
