Antimicrobial Resistance Affidavit

Milk Supplier: Michigan Milk Producers Association

I, **Steve Lehman**, as the person responsible for the **quality** of raw milk supplied by **Michigan Milk Producers Association**, hereby certify that, as applicable, for consignments certified for entering the European Union from 3 September 2026, the source animals from which raw milk was obtained have not been administered any of the antimicrobials listed in the Annex to Commission Implementing Regulation (EU) 2022/1255 of July 19, 2022. **Michigan Milk Producers Association** has informed all raw milk producers that the antimicrobials listed in the Annex to Commission Implementing Regulation (EU) 2022/1255 are prohibited via **a notification in our monthly newsletter dated August 24, 2026, which was emailed or mailed to all members. This affidavit and the list of prohibited antimicrobials is included in the policy handbook located on the member portal.**

Signature Steve Lehman

Date: September 1, 2026

Steve Lehman
Raw Milk Compliance Manager
steve.lehman@mimilk.com

This Affidavit is valid for a period of one year from the signature date.

The Annex to Commission Implementing Regulation (EU) 2022/1255 of July 19, 2022, prohibits the use of the following antimicrobials in veterinary medicinal products or medicated feed.
